The Beginning in the year 1994

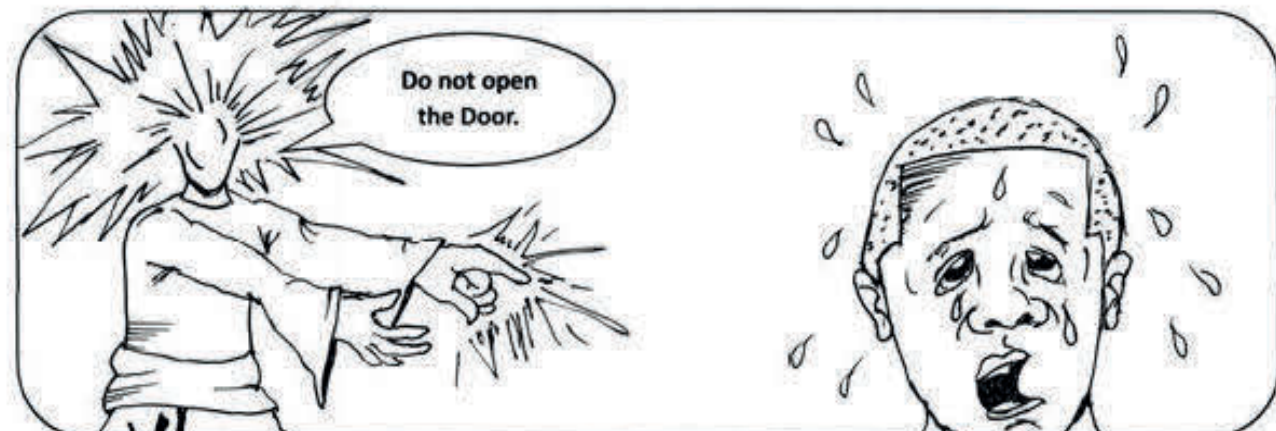

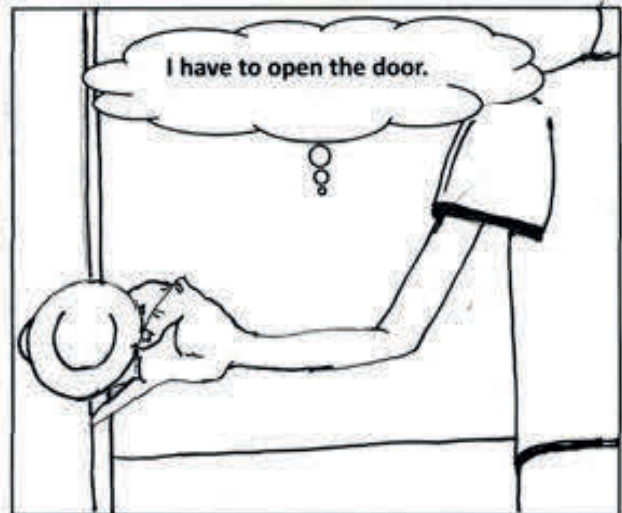

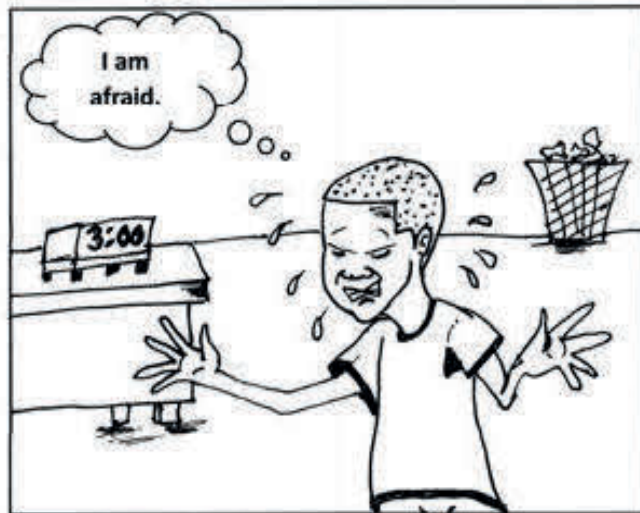

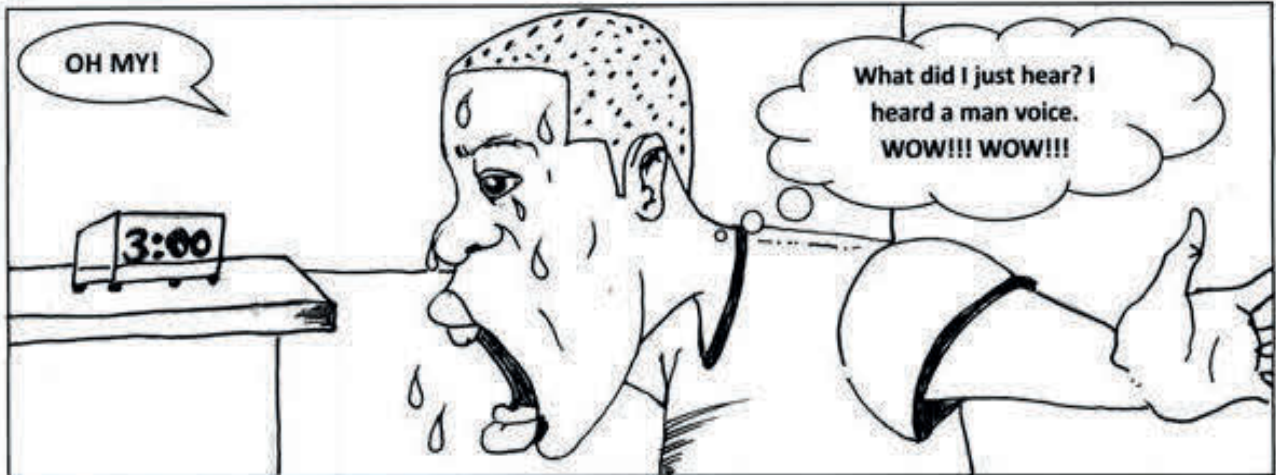

In The Year 1994. I was 14 years of age when I was living with my Grandmother Mattie Hargrove. One Summer Evening in my room. I needed answers concerning my life. So, I gave GOD a try I began to talk to GOD who I never knew existed. I began to ask GOD "If you are Jesus speak to me". I did not realize I was praying to an invisible being who my grandmother always prayed to.

The Lord Spoke To me

The Lord spoke to me audibly while I sleep that same night, I ask him was he Jesus and are you GOD? The Lord said to me "Only You Can Help Them. He showed me in a dream there were people in a straight line who had their backs turned toward me I could not see their faces. I jumped out the bed in haste to cut the light on to see if someone was in the room playing with me. I realize no one was in the room and my Grandparents were asleep. I look at the Clock it was 3:00am in the morning. It was still dark outside I was afraid.

Hasted to Grandmother's Bedroom

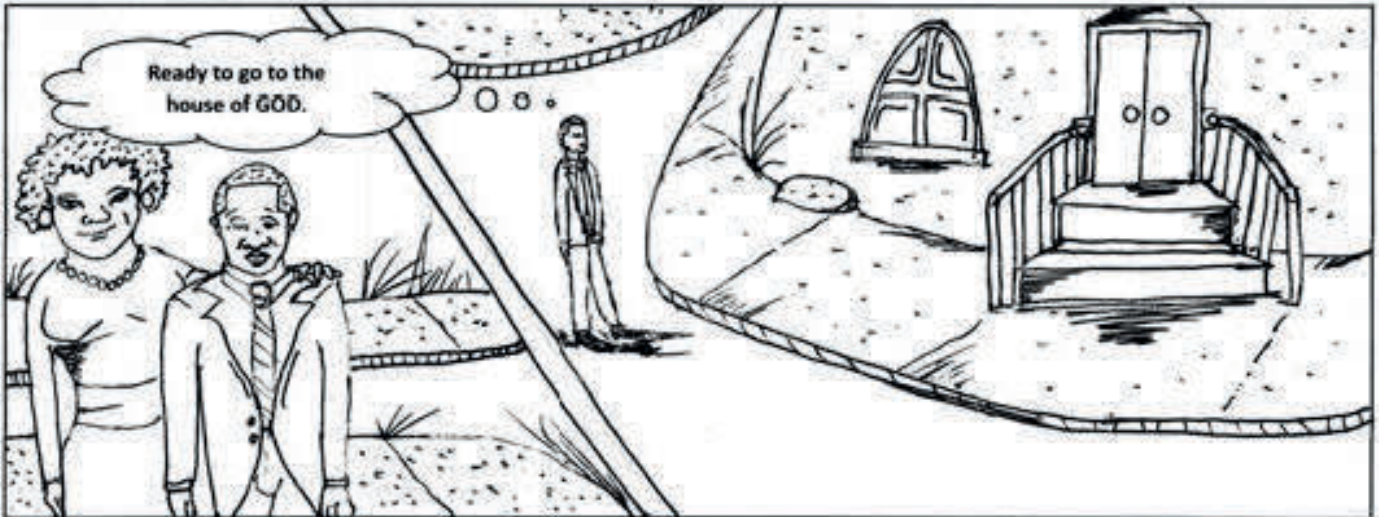

When the Lord spoke to me from the inside and said "Do not open the door. I sat on the floor in my bedroom and waited for daybreak or for the sun to rise so some light could come through the window before I could go and tell my grandmother what I heard.

Preaching The Gospel Part 2

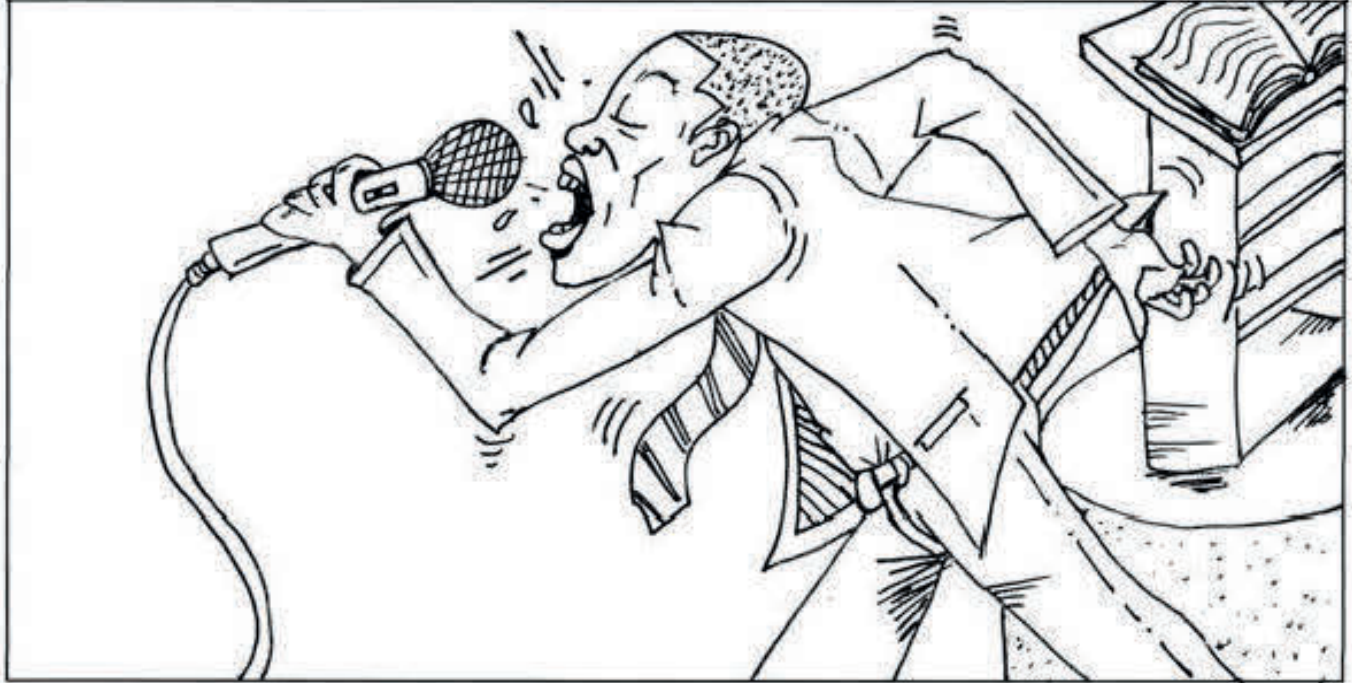

Pastor Clark who was installed Bishop Clark allowed me to sit with him in the pulpit. I was afraid but at the same time excited. Because of this new life in Christ, I felt refreshed and renewed in my spirit. Bishop Clark said to me "I will set you up a date to preach your first trial sermon and will license you a minister of the Gospel of Jesus Christ."

In Middle School 8th Grade

Life was different in School I always took my bible to School. Me being a young minister of the gospel but haven't been licensed yet. The classroom, classmates in class was something I was used to. The Loud noise, running around in class not listening to the teacher constantly fights. Strawberry Mansion Middle School I believe was the worst time trying to learn, But I got through it reading my bible in class.
